

...uses his eyes like his cock.

open, clear and present...deep  
penetrating stare that throbs in my belly.  
Unabashed, not only does he see but stands  
strong when I return his scrutiny. Enveloping  
me with his eyes, he takes me with his  
encompassing gaze.

There is no place to hide as he continues  
his investigation, skewering the darkest  
recesses. Drawing me in, he pierces...ripping  
my secrets to shreds. Slowly he begins,  
probing with each thrust. I feel him swell  
inside me.

And in this, joyfully I impale myself upon him.

Fuck me with your eyes.

A GUY I WOULD FUCK
